2.200.000 €

INFO: Just 5 minutes from the village of Algaida, well known for its typical Majorcan restaurant Cal Dimoni and in a rustic area, we offer this innovative and modern project of detached villa on a plot of 19.900 m². 300 m² will be built all on one level, which makes this property a very comfortable and special home. It is worth mentioning its many exterior spaces such as porch, patio, terrace with views to the Tramontana mountains and saline water swimming pool. It is distributed in 4 double bedrooms all with built-in wardrobes, 4 full bathrooms, guest toilet, spacious living-dining room, fully fitted kitchen equipped with high end appliances, tiled floors with under floor heating, aluminium-Climalit® carpentry, air conditioning by fancoils, osmosis, water softener, video intercom, home automation, automatic irrigation system for trees and exteriors and garage of 46m². The water supply will be from own water well. Completion date to be confirmed. Please contact us for further information, we will be pleased to be of assistance.
