*INFO:* Fantastic house with more than 400m<sup>2</sup> built on a plot of 15.000m<sup>2</sup> only two kilometres from the beach of Playas de Muro. The property has three bedrooms, all with en-suite bathrooms, spacious living/dining room with large windows, large unfurnished kitchen and stable for 6 horses. It has oil central heating and all the plumbing and electrical installations were renewed about 10 years ago. It does not have a certificate of habitability as it was built without the corresponding municipal licence, although we are currently looking into the possibility of legalising it. It offers the possibility of going on long horseback rides to the beach. GREAT OPPORTUNITY.
