1.380.000 €

INFO: This house stands out for its good distribution. On the ground floor, it has a spacious living-dining room open to the kitchen with direct access to the terrace and garden area. It also has a double bedroom and a bathroom, as well as a pantry. On the first floor, there are three bedrooms with two bathrooms, the main bedroom being approximately 40m². Finally, in the basement, there is a laundry room and a large garage where three cars can be stored. It also has a communal swimming pool (the community consists of only three houses). It is in excellent condition, move-in ready.
