INFO: Discover this spacious and bright 95.6 m² home, located in front of a pleasant park that provides clear views, tranquility, and excellent natural light. The property stands out especially for its large living-dining room with large windows, which allow you to enjoy the park views and create a very bright and comfortable space throughout the day. The distribution is comfortable and functional: • 3 bedrooms • 2 full bathrooms • Equipped independent kitchen • Independent laundry room • Built-in closets • Large living-dining room with large windows The rooms are spacious and well distributed, with abundant natural light thanks to its orientation and large windows. Located in a modern building constructed in 2007, the property has an elevator and is in good condition. The home is situated in a pleasant area, with a park right in front, ideal for enjoying green areas, walking, or for families. A property that combines spaciousness, brightness, and a very pleasant location. ? An excellent opportunity for both a primary residence and investment.
