INFO: In the sought-after neighborhood of Son Espanyolet, this elegant triplex with an independent entrance is designed to enjoy natural light, privacy, and the Mediterranean lifestyle. The property has 129 m² built over several levels, plus a fantastic roof terrace of approximately 20 m² with a private pool and pleasant views over Palma and the Serra de Tramuntana. On the main floor, there is a bright open space with integrated living room and kitchen, plus a guest toilet. The basement offers a versatile room with a natural skylight, ideal as an office, gym, or recreation room. On the first floor are two spacious double bedrooms, both with en-suite bathrooms. Built in 2008, the property features quality finishes such as teak parquet flooring, double glazing, air conditioning, and city gas. Additionally, there is the possibility to purchase or rent a parking space in the adjacent building. A modern and characterful property, located just minutes from Santa Catalina, the old town, and the Palma waterfront.
