INFO: In the Rafal Vell area, we find this magnificent residence of approximately 240 m² built, located in a very quiet building with only 4 neighbors, featuring an elevator and a communal pool. The property stands out for its large size, excellent layout, and especially for its spectacular private terrace of about 200 m², an uncommon outdoor space in Palma, ideal for enjoying with family, creating different atmospheres, a chill-out zone, outdoor dining area, or open-air leisure space. The home offers very spacious and bright rooms. It has 4 bedrooms, 2 bathrooms, a large separate living room, and a separate dining room, providing comfort and versatility for daily life. The kitchen, approximately 17 m², has an exceptional size and offers multiple possibilities for updates or redistribution. Thanks to its interior spaciousness, huge terrace, and the small number of neighbors, this property is ideal for those seeking a spacious, comfortable home with a sense of house living but with the advantages of living in a building with an elevator and a communal pool. Additionally, there is the possibility to purchase two parking spaces for an additional €60,000.
