450.000 €

INFO: A building is for sale consisting of a 178 m² ground floor garage-space with two access doors, a restroom, storage room, and capacity for several vehicles. On the first floor, there is a spacious 150 m² apartment, distributed into 3 double bedrooms, 1 single bedroom, a bathroom, 3 living rooms, a fireplace, and an independent furnished kitchen with a pantry and access to a 20 m² terrace. Additionally, it has a 40 m² rooftop terrace. All rooms are exterior, bright, and in good condition. Its traditional elements stand out, such as the old wooden interior carpentry. An excellent opportunity in Inca for those looking for a spacious property with character and multiple possibilities.
