300.000 €

INFO: Location makes all the difference. On C'an Serinya street, next to Es Born, this 50 m² ground floor offers the opportunity to shape a space with personality. Currently used as an office, it has several rooms, a kitchen, and a bathroom. It needs renovation, allowing you to rethink the spaces and choose every finish to your liking. The wooden windows, moldings, and arched doorways add charming details that can be integrated into a contemporary and cozy project. Its main appeal is clear: price, location, and transformation potential. A proposal for those seeking a property right in the center and who value the possibility of renovating it in their own style, enjoying Palma on foot.
